

Middle/ High School Teachers and Staff would you like the opportunity to be awarded a **\$500 grant** to use in your classroom or community?

Fill out the electronic application attached to this letter and return it to Mrs. Kim Kladitis by March 10th. (Kkladitis@farrellareaschools.com) I know it short notice but sometime we must complete things at the last minute, so please forgive me. 😊

Requirements: As long as your idea fosters civic responsibilities which can be integrated into your curriculum it is a good idea.

This grant opportunity is brought to you by the Learn & Serve Student Advisory (LSAB) Board established in our school in the 2010/2011 school year entitled “Youth Engaging in Success (YES)” and it under the umbrella of Learn and Serve. The goal of our group is to improve student achievement, student engagement, attendance and most of all behavior. This is an important opportunity to provide students with effective strategies to use their knowledge and skills to address important community needs, empower them to become active citizens, and reducing the chance that they will drop out of school. Most of all we want our students to have positive role models, meaningful engagement in our community and become successful service oriented adults.

Learn and Serve Grant Application

Grant Deadline 4:00 P.M. March 10, 2011

Farrell Area Middle/High School

Award Year: October 1, 2011 to June 30, 2012

Amount of Grant: \$500

Grant Focus: Education, Literacy, Wellness, and Service Learning

Open to teachers: Middle/High School and afterschool programs

Please complete one or more of the following sections based on whom the program will directly affect with Learn and Serve funding. These questions are intended to guide grant applicants on the specific kinds of grants the L&S Student Advisory Board (LSAB) is supporting: the program focus, the program content, the outcomes targeted and the LSAB results that your project/program will benefit. You must select YES to comply with the grant guidelines. All grant audit requirements must be agreed upon anyone not following the guidelines will be asked to return a portion or all of the monies awarded in the RFP.
