REVISED:

Farrell Area School District

116. TUTORIAL INSTRUCTION

1. Purpose

The Board recognizes that the discharge of its responsibility to provide a thorough and efficient system of education for each child in the district may require special help for some students beyond the regular classroom program.

It is expected that every effort will be made by the principal and teacher to help the child with any difficulties at school before recommending that parents engage a tutor. The Board believes that by maintaining a high quality instructional staff and providing for a rich, varied curriculum, the need for individual tutoring is minimized.

2. Delegation of Responsibility

Should individual tutoring be recommended in exceptional cases, the Superintendent is directed to establish such rules as will protect both the school system and the teachers from charges of conflict of interest.

1. A teacher may not arrange to tutor for pay any child enrolled in his/her class.
2. No tutoring for which a teacher receives a fee will be carried on in a school building.
3. Teachers who accept outside tutoring engagements shall make their own arrangements with the parents for the fees to be assessed.
4. Tutors must be certified in the areas served.
