Farrell Area Elementary School

Welcome

This handbook has been written to clearly communicate information, policies, and expectations to our students and their parents. It is essential for parents to read the student handbook and make students aware of its contents. As a family, we all should take pride and assume responsibility to ensure that our students succeed and grow.

Farrell Area Elementary School is dedicated to provide the best learning environment for our students. We encourage your active involvement in your child's education. A strong partnership between home and school can greatly benefit how a child grows and matures.

It is a pleasure to have you as a part of our Farrell family. We look forward to working with you as we embrace a new school year.

ASSESSMENTS AND STATE TESTING

Students in grades PreK—6 take a variety of tests and assessments

throughout the school year. Students are assessed to determine their instructional level and to measure academic growth. Some tests are given on a computer and some are paper/pencil. If you have any questions about assessments and their purpose, time frames or results, please contact your child's teacher.

BIRTHDAY/CELEBRATIONS

We understand that a child's birthday is a very important day for them and their family. We have developed the following guidelines to assist in observing birthdays/celebrations.

1. It is the parent's responsibility to contact their child's teacher to seek permission to bring non edible treats to school.
2. **Non-edible treats are to be dropped off at the office.**
3. Due to an increasing number of children being sensitive or highly allergic to some ingredients **no edible treats are permitted to be distributed.**
4. The school will not deliver flowers, gifts, or balloons to the classrooms to observe birthdays/special occasions. These items can become distractions and some children have allergies to latex balloons.
5. Birthday party invitations may not be distributed in school.

Below are some suggestions of non-edible treats:

Stickers, pencils, erasers, crayons, colored pencils, bookmarks, donation of a book to the classroom or the school library in honor of your child.

CAFETERIA

All students receive a free breakfast and lunch. Extra items may be purchased in the lines. Students in grades 4-6 may visit the Snack Shack on assigned days only.

Please do not send any items to school that contain nuts, as we have students with severe food allergies.

Any student with milk allergies must present a doctor's excuse to have an alternate drink with meals.

If students are bringing lunch to school, please follow the wellness guidelines. Please do not bring in lunch from a **fast food restaurant.**

Glass bottles and pop are not permitted in the cafeteria.

CELL PHONES AND ELECTRONICS

The use by students of cell phones, MP3 Players, iPods, Palm Pilots, iPads, Tablets, and any other unauthorized media shall be prohibited during the academic school day. Such devices shall be turned off or made inoperable.

All devices should remain in the student's locker or the device will be collected by the homeroom teacher upon entering the classroom.

If a student is found to be using a cell phone or other electronic recording devices during the academic day, the following will occur:

1. The first offense, a student will be warned.
2. The second offense, the cell phone or other electronic device will be taken from the student. It will be returned only to a parent.

CHILD ABUSE REPORTING

guardianship, the legal guardian shall be responsible for notifying the school officials of the conditions of the guardianship and for providing school officials with all pertinent written documentation or changes.

DELAYS OR CANCELLATIONS DUE TO EMERGENCY OR INCLEMENT

WEATHER

For inclement weather, please tune into TV channels 21, 27, or 33 for school cancellations or delays. A current phone number will be necessary to be contacted via the automated phone call system. When there are delays, students should report **two hours** later than the original schedule. There is **NO** breakfast served when there is a school delay.

ELEVATOR USE

A doctor's note is required and should be given to the nurse to use the elevator.

EMERGENCY FORMS

During the first week of school, your child will bring home an individual Emergency Form and a student release/emergency release form. Please read, complete, and return this to your child's classroom teacher as soon as possible. It is important for the school to have these forms available in order to contact you or a designated relative/friend in case of illness, accident, or an emergency.

As the year progresses, it is imperative that **any** changes in contact information be sent to the office **immediately**! This includes changes in address, phone numbers, living arrangements, guardianships, and emergency contacts. The people you choose for your emergency contact list should be authorized to pick up your child in the event of an emergency or illness in case we are unable to contact you directly. People, even family members, who come to school to pick up your child and are not on the emergency contact list, need written authorization from a parent/guardian; the parent/guardian can also call the main office and let the office staff know that an alternative person is coming to get their child. Without verbal or written permission, the office staff and teachers cannot release the student to anyone not on the emergency list.

EMERGENCY DRILLS

Fire, lock down, tornado, and evacuation drills are held for all children and staff. Drills are practiced throughout the year. In the event of an emergency, parents are requested to **NOT** phone the school or attempt to enter the school. Parents will be notified of any problems as soon as emergency needs are met. Every teacher is trained for emergency drills and has a copy of the Crisis Management Plan.

FIELD TRIPS

All grade levels schedule field trips throughout the school year that reinforce and enhance the curriculum. Parents will receive notice of a field trip in advance of the date of the trip. Permission slips are required for all students participating in the field trip. If a permission slip is NOT returned by the day of the field trip, your child will NOT attend the field trip.

Parent volunteers or chaperones are often asked to accompany classes on field trips, depending on the nature of the trip and the number of adults needed. The decision of whether to take chaperones and the number of chaperones taken rests with the classroom teacher. In the event that there are more volunteers than available spots, chaperones may have to be limited. No other siblings may accompany parents who are serving as chaperones. All chaperones are required to have Act 33, 34 and FBI clearances.

FINES - CARE OF SCHOOL PROPERTY

- Students need to be encouraged, expected, and constantly reminded to take care of all school property. This includes the building, furniture, school grounds, computers and technology, books and all other learning materials. Students should have book bags to protect books from water damage from the rain and snow.
- Report Cards are to be returned to the classroom teacher within three days.
- Lost or damaged books will result in full replacement costs.
- Lost or damaged library books will result in full replacement costs.
- Lost or damaged Chromebooks, chargers, or any other technology will result in full replacement costs.
- Damage to school property will result in restitution fees.

HOMELESSNESS

The McKinney - Vento Act defines homeless children as “individuals who

lack a fixed regular and adequate nighttime residence”.

The Act provides examples of children who fall under this definition. They are children and youth...

- sharing housing due to loss of housing, economic hardship.
- living in motels, hotels, trailer parks, or campgrounds due to lack of alternative accommodations.
- living in emergency or transitional shelter
- abandoned in hospitals.
- whose primary nighttime residence is not ordinarily used as a regular sleeping accommodation (e.g., park benches, etc.)
- living in cars, parks, public spaces, abandoned buildings, substandard housing, or bus or train stations
- “unaccompanied homeless youth” including any child who is not in physical custody of a parent or guardian (this includes runaways, children thrown out of their home, abandoned by parents/guardians, or separated from their parents for any other reason)
- “migratory children ” whose parent(s) or spouse(s) are migratory agricultural, fishermen, dairy workers etc. who have moved from one school district to another in the preceding 36 months in order to obtain temporary or seasonal employment.

If you think you or your family is currently in a situation similar to any of the above examples, please contact Mr. John Seybert, Director of Special Education at 724-509-1216 or in person at Farrell Area High School.

FAILURE/RETENTION POLICY

Pre-K and Kindergarten: If a student receives N(Not Yet Demonstrated) at a percentage of 59.49 or below for all of the standards averaged cumulatively, he/she will be retained in his/her current grade.

Grades 1-6: If a student receives a cumulative grade of 59.49% or below for either ELA or Math, he/she will be retained in his/her current grade level.

HOMEWORK

Students will be assigned homework in all grade levels. The following chart indicates what we believe is approximately the appropriate amount of time for children in each grade to be spending on homework.

These time ranges assume the student is focused and on-task. If a child is having difficulty on a consistent basis completing assignments within the time frames established, parents should contact their child's teacher for assistance. Homework will not be assigned over vacation.

Grade Range	Average Time per Night
Pre - K	0 – 10 minutes
Kindergarten	0 – 10 minutes
Grades 1 – 2	10 – 20 minutes
Grades 3 – 5	30 – 50 minutes
Grade 6	60 – 80 minutes

In addition, students are encouraged to **read nightly**. Parents, PreK and kindergarten children should spend time together with books. Children in grades 1-6 should be reading 15 to 30 minutes nightly, based on their grade level.

HEALTH AND NURSING SERVICES FOR STUDENTS

The nurse is responsible for the maintenance of health records, routine health screenings, parental contact concerning health problems, care of minor injuries, and assistance in health teaching.

Please be sure to contact the nurse if your child has any unusual health problems.

In general, medication will not be given during the school day unless absolutely necessary. If it is necessary, all medication shall be administered only by the school nurse. Please contact the school nurse for further specific guidelines that must be followed. These include the prescribed medications that must be in a container from the pharmacy labeled with the student's name. This must be accompanied by signed, written instructions from the physician and authorization from the parent on a form provided by the school. No student is to bring medicine to school.

LOCKERS AND CUBBIES

The district is not responsible for any valuables reported "missing" from the locker or cubby. The lockers and cubbies are the property of the school,

loaned to the student for the student's convenience. It is the responsibility of each student to keep the assigned locker and cubby clean by treating the facility with respect. Food, perishables, etc. are not permitted in lockers and/or cubbies for longer than one day. Swimming and gym items should be taken home the same day. Lockers and cubbies are subject to inspection by authorized persons at any time. Students should not have an expectation of privacy in school lockers and cubbies.

MESSAGES TO STUDENTS

For issues of safety, telephone messages for students (such as "Please tell John to walk home") during school hours will not be taken. Please come to the school to talk to your child or leave a note that we can give your child.

OPEN HOUSE

Open House will be held on Wednesday, September 18, 2024 from 5:00 – 7:00 PM

PETS

Pets are not permitted in school or on school grounds. Parents should not bring pets to school when dropping off or picking up their child.

PHONE USAGE

The office phone is available to students for emergencies only. Students must ask the office staff for permission before using the phone. If you need your child to contact you before or after school, please send a note with your child indicating that you need them to call home; otherwise they will not be allowed to use the phone. Parents are encouraged to have established procedures with their child regarding after school arrangements.

PHYSICAL EDUCATION

All students must wear tennis shoes/sneakers to participate in physical education classes.

PICTURE, VIDEOTAPE OR OTHER IMAGE

Pictures, videotape or other images of students may be taken or used throughout the school year and sent to local newspapers or used on the school website, social media, or advertisements for student, school, or program recognition. Please indicate on the media release section form if you do not want your child's picture, videotape, or other image used. Otherwise, failure to do so will serve as permission to use their image.

PRINCIPAL CONFERENCE

Anyone wishing to have a conference with the principal should call for an appointment.

SMOKING

District policy prohibits smoking in school buildings or on school property.

SPECIAL EDUCATION SERVICES

All children who require special services are identified through screenings, tests and other evaluations that are administered through the school district. For additional information regarding these programs or services, please contact the elementary administration or the Special Education

Director.

TRANSPORTATION OR AFTER SCHOOL CARE

Arrangements should be made in advance. If you need to change your student's transportation or after school arrangements, you must send a written note with the student or come to the school to make any changes. Phone calls are not accepted; this is for your child's safety. All students should be picked up immediately following dismissal. Failure to comply will result in the appropriate agency being notified.

VALUABLES/MONEY IN SCHOOL

The school district is not responsible for the personal property of the students. Money should only be brought to school for specific school purposes (extras at lunch, book orders, etc.) and should be kept in a safe place. Cell phones, smart watches, compact video games, toys, cameras, etc. should be left at home.

VISITORS AND SCHOOL SECURITY

The Board welcomes and encourages visits to school by parents/guardians, adult residents and interested educators. To ensure order in the schools, it is necessary for the Board to establish policy governing school visits. The Superintendent or designee and building principal have the authority to prohibit the entry of any individual to a district school. No visitor may confer with a student in school without the approval of the principal. In order to ensure continuity of the instructional day and to provide security and safety for our learning community, visitors must make prior arrangements for visitation, meetings, or conferences. All visitors are to enter through the Central Office. All persons entering the building **MUST** report to the Central Office to sign in. Photo identification is required. Identification badge must be worn while in the building. All persons **MUST** then stop in the elementary office and sign in before going to another area of the building. We request that visitors adhere to appropriate attire when visiting our school. No unscheduled conferences, however brief, are permitted during regular school hours. Conferences and phone calls should be made with the teacher after the instructional day so as to protect the students' learning time.

Parents bringing items (homework, musical instrument, lunch) to students

are asked to leave them in the Central Office. The items will be taken to the elementary office and delivered to the classroom.

VOLUNTEERS - PARENT

Recognizing its responsibility to ensure the safety and welfare of students in its charge, the Board directs the Superintendent to secure a criminal history record and child abuse clearance from volunteers who have direct contact with students. In considering which volunteers have contact with students, the Superintendent or designee shall consider the individual performance responsibilities, the location where the contact is likely to occur, and whether contact is likely under supervision or observation of employees who have background checks. Persons not covered by this policy are limited to those volunteers who are determined not to have direct contact with students. All costs for the background checks will be borne by the volunteer.

WELLNESS POLICY

The recent national concern over the childhood obesity issue has caused schools to address student health and obesity in a variety of ways. Public Law 108-265 required all local education agencies sponsoring the National School Lunch Program to implement a local wellness policy. Some of the changes in the school have been to remove all pop in the vending machines and eliminate high calorie snacks at the snack shack. Our goal is to encourage a lifetime of healthy eating habits.

ATTENDANCE

School attendance is a shared responsibility among parents/guardians, students and the school. Students who do not come to school cannot learn. We must make every effort to see that students are in school on time each day.

- Contact the school at 724-509-1114 before 8:30 AM to report the absence. Homework requests should be made at this time.
- Upon the child's return to school, **written excuses** for each absence/tardy must be presented to the child's teacher. Sixteen written excuses are accepted per school year (8 per semester). The school and the Office of Attendance Officer has the right to decline a written excuse if it is NOT submitted within a 5-day

time frame.

- If you take your child to a doctor when he/she is absent, please secure an excuse from the doctor. Doctor excuses must be submitted within 5 school days. Doctor excuses can be faxed (724-509-1109).
- If absences exceed 8 parent excuses per semester, professional documentation (not parental excuses) will be required.
- **Absences or tardies for which a written excuse is not received are considered unexcused.**
- Requests for early dismissal (dental or doctor appointments) must be submitted in writing to the child's teacher prior to the appointment date. Parents are urged to make appointments after school hours.
- Examples of excused absences: illness, critical immediate family illness, pre-arranged doctor and dentist appointments, authorized school activities, death in the family, educational trips, required court attendance, religious holiday
- Examples of unexcused absence: visiting, away from home, overslept, alarm clock didn't go off, missed the bus, no ride, out of town...
- Requested assignments will be available in the office. Students are required to complete missed work within a reasonable time frame.

PLANNED OR PRE-ARRANGED ABSENCE - FAMILY VACATIONS

Requests for family vacations during the school year must be made in writing for a legal absence to be granted. Educational Trip Request Form (obtained in the office) must be returned to the principal at least five days prior to the trip.

EXCUSING CHILDREN EARLY FROM SCHOOL

If it becomes necessary for your child to be excused early from school, please send a written note to the teacher indicating the time and reason. Parents are expected to sign out their children in the elementary office for appointments. Students will be called to the office upon parent arrival.

Teachers are not permitted to dismiss children to a parent directly from the classroom. No child will be sent home or out to the parent's car on his or her own.

TRUANCY

1. After **three** unexcused absences, the first warning letter will be mailed home.
2. After **six** unexcused absences, the second warning letter will be mailed home. The parent/guardian will be required to attend a School Attendance Improvement Plan (SAIP) meeting.
3. After **nine** unexcused absences, the third and final warning letter will be mailed home.
4. After the **tenth** unexcused absence, truancy charges will be filed with the District Magistrate's Office.
5. Warning letters and truancy charges may be issued due to unexcused absenteeism or excessive tardiness or a combination of both.
6. After the second citation for truancy, a referral will be made to Children and Youth Services.

TARDY

In the event that five (5) unexcused tardies occur, the school will contact the parent/guardian encouraging punctuality. When ten (10) unexcused tardies occur, a meeting involving the parent, principal, and/or guidance counselor and attendance officer will be required. Students in grades 4 - 6 that are tardy 3 times will receive warnings. After 4 tardies, your child will serve an after school 30 minute detention.

SCHOOL-WIDE POSITIVE BEHAVIOR SUPPORT

School-Wide Positive Behavior Support (SWPBS), is an evidence-based discipline practice. School Wide Positive Behavior Support is a research-based approach to promote appropriate student behavior and increased learning across all educational environments.

The goal of **SWPBS** is academic and social success. We have established clear rules for the behaviors expected in all areas of our school. This goal is accomplished through the developments of universal expectations for ALL students, support plans for students at risk, and individualized programs for

students with significant behavior challenges.

School Threat Assessment Guidelines

Faculty, staff and administrators: State law also requires that school entities annually ensure school employees are informed of the existence and purpose of the Threat Assessment Team(s), including posting information on the school entity's website and ensuring school employees know who has been appointed to the Team. Threat Assessment Teams are also required to make information available to school employees regarding recognition of threatening or at-risk behavior, and how to report their concerns, including through the Safe2Say Something Program or another school hotline. This helps school personnel become aware of procedures and protocols they should follow when concerning or threatening information or behaviors are observed. Informational materials and training should include information about the school entity's Threat Assessment Team(s), including how to notify the Team(s), what information to share, and the steps school personnel can take to safely and appropriately intervene with concerning situations.

Students: School entities in Pennsylvania must also annually ensure students are informed of the existence and purpose of the Team(s) under state law. Threat Assessment Teams are also required to provide age-appropriate information to students regarding recognition of threatening or at-risk behavior as well as how to report their concerns, including through the Safe2Say Something Program or other school hotline. School entities should consider ways to build on these efforts to make sure students are aware they can make a report to the Team or another trusted adult anonymously, that their information will be followed-up on, and will be kept confidential, based on the school entity's legal and investigative requirements. Training and information should also focus on the important role students play in promoting a safe, positive, and inclusive school climate, including ways they can safely step in and intervene if needed.

Parents and families: School entities must also annually ensure that information is available for parents and families regarding the threat assessment process in place at their child's school, and their role in that process. It is recommended that information for parents/families provide clear instructions on who to call, when, and what information they should be ready to provide. Parent trainings can also provide information on available resources and can reduce the stigma around mental, emotional, or developmental issues. Information for parents/families should be provided in a language and format that is accessible and easy to understand.

Title I Parent Right to Know

August 20, 2024

Dear Parent(s)/Legal Guardian(s):

Parent Right to Know Information as Required by The Elementary and Secondary Education Assistance (ESEA) [Section 1112(e)(1)(A)] and Every Student Succeeds Act [Section 1112(e)(1)(A)]

Your child attends Farrell Area Elementary School, which receives Federal Title I funds to assist students in meeting state achievement standards. Throughout the school year, we will be providing you with important information about this law and your child's education. This letter lets you know about your right to request information about the qualifications of the classroom staff working with your child.

At Farrell Area Elementary School, we are very proud of our teachers and feel they are ready for the coming school year and are prepared to give your child a high-quality education. As a Title I school, we must meet federal regulations related to teacher qualifications as defined in ESEA. These regulations allow you to learn more about the training and credentials of your child's teacher. We are happy to provide this information to you. At any time, you may ask:

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications. Every Student Succeeds Act (ESSA), which was signed into law in December

2015 and reauthorizes the Elementary and Secondary Education Act of 1956 (ESEA), includes additional right to know requests. At any time, parents and family members can request:

- Information on policies regarding student participation in assessments and procedures for opting out, and
- Information on required assessments that include
- Subject matter tested,
- Purpose of the test,
- Source of the requirement (if applicable),
- Amount of time it takes students to complete the test, and
- Time and format of disseminating results.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals meet applicable Pennsylvania state requirements.

If you have any questions about your child’s assignment to a teacher or paraprofessional, please contact the Elementary Office at 724-509-1114.

Sincerely,

Dr. Emily Clare

and Instruction/Federal
