Students who will be attending the Farrell Distance Learning Academy can begin picking up their iPads or Chromebooks on Friday, August 21, 2020 from the Elementary or High School office. There will be no fees required. Anyone who has already paid their deposit to obtain a Chromebook or iPad will be refunded. In order to avoid a wait time and so that social distancing can be observed, please contact the office prior to arrival.

Elementary parents will be receiving their parent letters in the mail. You will also be contacted with information about your child's teacher and classroom assignment. Also, remember that masks are mandatory for all students, staff, and anyone entering our buildings per the state mandate.

Please continue to visit our school district website and Facebook page for additional information, and updates. Continue to be safe, and we look forward to seeing your child(ren) next week.

Sincerely,  
Dr. Lora Adams-King
