

August 23, 2020

Dear Parents/Guardians:

This is just a reminder that the 2020 – 2021 school year will begin and classes will resume, at the Farrell Area School District, on tomorrow (August 24, 2020). All students are late at 8:00 a.m.

Please see the announcements on our website and Facebook page for additional information regarding our virtual (distance) learning program, entry times, dismissal times, which door numbers various grades will be using, etc.

While we are requiring all students attending our Distance Learning Academy to attend for no less than a full nine weeks once they are enrolled (in order to provide continuity of education), **this week only we will extend a grace period.** This one time only grace period means that if your child is enrolled in the Farrell Distance Learning Academy and you would like to have them attend school for in-person instruction instead, you may make the aforementioned change until Friday, August 28, 2020 at 2:00 p.m. Please contact the elementary or high school office to do so.

If you have any questions or concerns, please visit our website or contact the elementary or high school office.

Sincerely,

Dr. Lora Adams-King
