

December 31, 2020

Dear Parents/Guardians,

The Farrell Area School District will resume in-person instruction on Monday, January 4, 2021. This means that students should report to school at the regularly scheduled time and follow their regular schedule. Students who attend the Mercer County Career Center should follow their hybrid schedule.

If you, your child, or someone in your household has tested positive for COVID-19 or been exposed to someone who has tested positive for COVID-19 during the past fourteen (14) days, please notify the high school or elementary office prior to sending your child to school.

On behalf of the Farrell Area School District, I wish you a happy, healthy, safe, and prosperous New Year.

Sincerely,

Lora Adams-King
