

Join us for a FREE FAFSA Completion Night!

PHEAA representative, Amy Sloan, will be hosting a FREE FAFSA Completion event for Farrell seniors and their families on October 21, 2021 at 4:00 pm in the high school computer lab.

Amy Sloan will have information regarding the FAFSA, Free Application for Federal Student Aid and PHEAA, Pennsylvania Higher Education Assistance Agency. Senior students that are interested in pursuing higher education in the form of a college, university or trade school are strongly encouraged to attend with their families. FAFSA and PHEAA are in place to assist students with higher education expenses.

Seniors and their families are invited to attend this meeting to complete the FAFSA application in our computer lab. Please enter through door 31.
